SINCE 1908

A woman with long blonde hair, wearing a black top with polka-dot sleeves, sits at a cluttered desk in a room with blue patterned curtains. She is holding a pink unicorn-themed tumbler to her lips with her right hand and a black and white checkered phone case in her left hand.

A large yellow and pink beaded tumbler with a pink handle and a pink straw.

A purple and pink beaded tumbler with a teal handle.

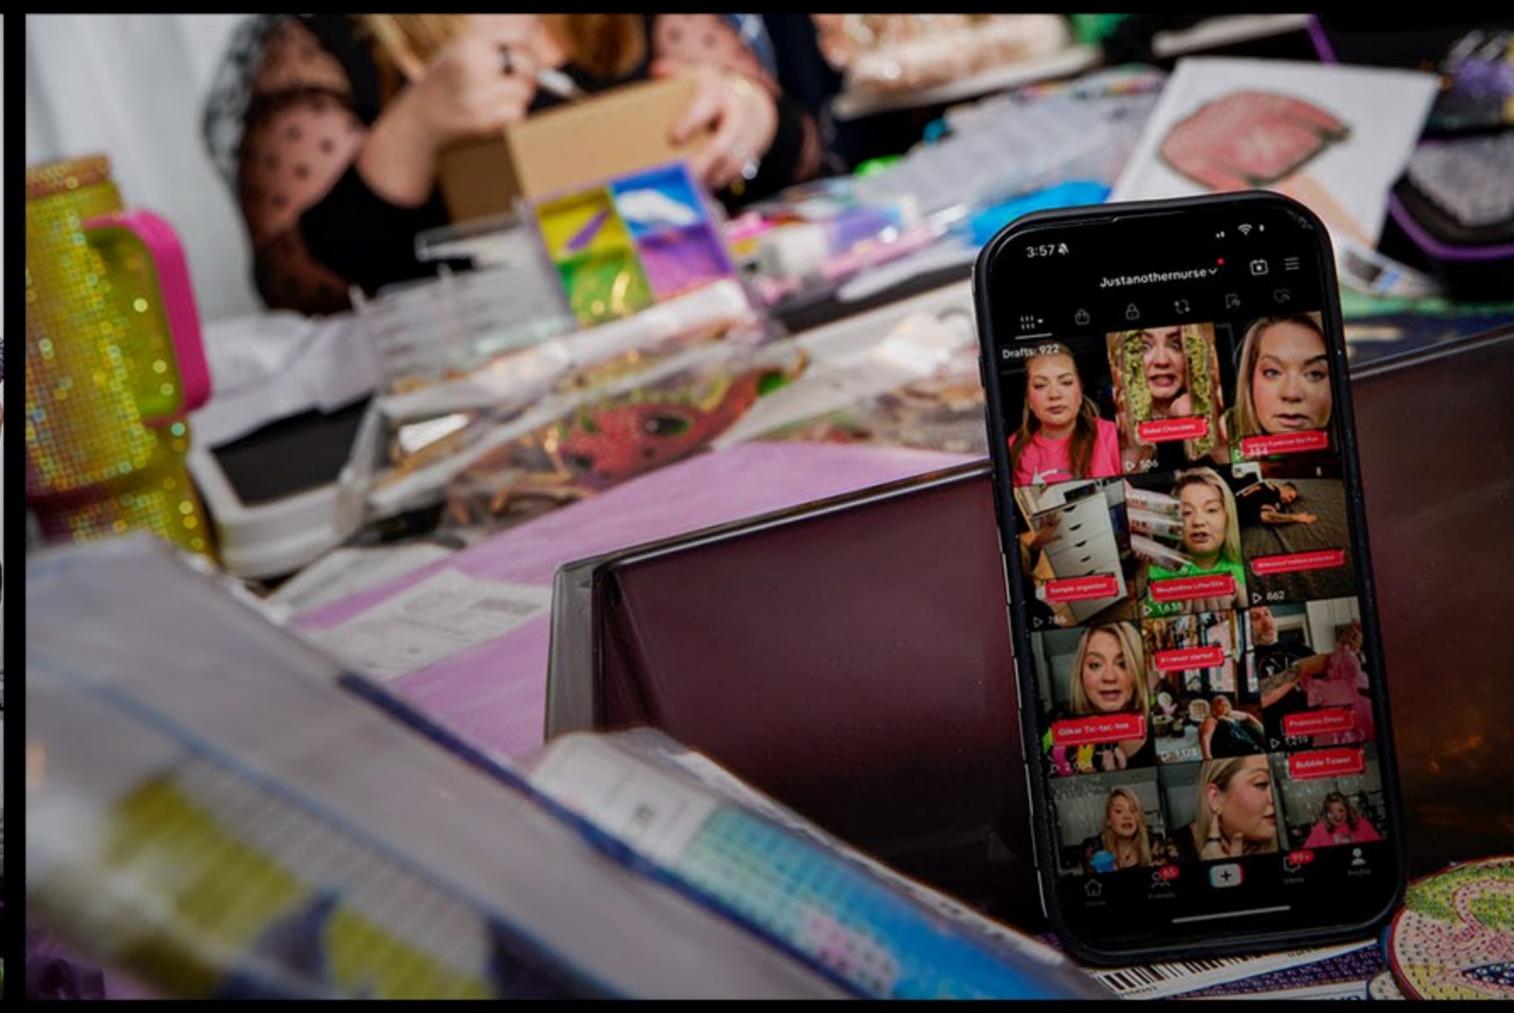

A clear plastic organizer with compartments containing various small items.

A black tray containing many small clear containers, likely for beads or sequins.

A piece of fabric with a red and green patterned elephant design.

A black wire rack holding several pieces of fabric with colorful patterns.
